ATTACHMENTS - FACTORY AND FIELD INSTALLED

A short description and recommendation of some of the various factory and field installations is given. This is done to help the sales person to recommend the best combination of equipment to the customer.

Please note that the information, codes bundle numbers are given for reference only, the current price list must be the only official ordering document.

Where factory installation codes or field installation bundle numbers were not available, they will be made available as soon as possible.

1 HYDRAULICS

SELECTIVE CONTROL VALVES - SCV

5010 series tractors are equipped with economical and versatile spool type selected control valves.

All SCVs are equipped with push-pull couplers which allow the operator to couple and uncouple hydraulic hoses under pressure in almost any situation.

A tractor delivered with only one or two SCVs can have up to 3 double-acting SCVs mounted through dealer installed field kits.

Code	Bundle	Description
	ER067537	Field Installation Kit single-acting SCV at Position 2

Models: 5310 - 5510 and HighCrop

Note: up to serial no. 102350

Code	Bundle	Description
	ER067575	Field Installation Kit single-acting SCV at Position 2

Models: 5310 - 5510 and HighCrop

Note: from serial no. 102350

Code	Bundle	Description
	ER067538	Field Installation Kit double-acting SCV at Position 2 with DETENT
	ER067539	Field Installation Kit double-acting SCV at Position 2 with FLOAT

Models: 5310 - 5510 and HighCrop

Note: up to serial no. 102350

Code	Bundle	Description
	ER067576	Field Installation Kit double-acting SCV at Position 2 with DETENT
	ER067577	Field Installation Kit double-acting SCV at Position 2 with FLOAT

Models: 5310 - 5510 and HighCrop

Note: from serial no. 102350

Code	Bundle	Description
	ER067572	Field Installation Kit double-acting SCV at Position 3 with DETENT

Models : 5310 - 5510 and HighCrop

Note: up to serial no. 102350

Code	Bundle	Description
	ER067578	Field Installation Kit double-acting SCV at Position 3 with DETENT

Models: 5310 - 5510 and HighCrop

Note: from serial no. 102350

2 ELECTRICAL - ELECTRONICAL COMPONENTS

2.1 LIGHTS

Code	Bundle	Description
	ER066446	Light kit for ROPS

Models : 5310 - 5510 and HighCrop

Note: only for Italy

Code	Bundle	Description
9297	ER067533	Beacon Light Field Installation Kit for tractors with 2-post ROPS

Models : 5310 - 5510 and HighCrop

2.2 BEACON LIGHTS

Beacon lights for safe road transport of tractor and implement combinations are available for models with ROPS or with cab.

Code	Bundle	Description
9295	ER066417	Beacon Light Field Installation Kit for cab models

Models : 5310 - 5510 and HighCrop

Code	Bundle	Description
9290	ER067532	Beacon Light Field Installation Kit for tractors with 4-post ROPS

Models : 5310 - 5510 and HighCrop

Note: When not in use, beacon light can easily be removed. In this case always use the protective cap on the grommet to protect the electric contacts of the plug.

3 MISCELLANEOUS

3.1 OPERATOR'S STATION

Air Conditioning

A fully integrated air conditioning system is offered as an option with fully integrated controls. The overall height of the tractor does not increase with the air conditioning unit, due to the under-hood location of condenser and compressor and not in the cab roof. The system performs excellently due to condenser cooling by the full power of the engine fan and not by a much smaller roof mounted fan.

Front window is not openable with air conditioning option.

Code	Bundle	Description
	ER067547	Air-Conditioning System Field Installation Kit for 3 cyl. tractors

Models: cab only: 5310, 5410

Note: order in addition:

*1 x ER136436 (Belt) and 1 x ER198322 (Pulley)
for 5310 tractors;
1 x ER198207 (Belt) and 1 x ER191183 (Pulley)
for 5410 tractors*

Code	Bundle	Description
	ER067546	Air-Conditioning System Field Installation Kit for 4 cyl. tractors

Models: cab only: 5510 and HighCrop

Openable Windscreen

The opening front window improves ventilation on hot summer days, and allows for better visibility when driving from outside into warm cattle sheds.

Code	Bundle	Description
	ER067589	Openable Front Windscreen Field Kit

Models: cab only: 5310 - 5510 and HighCrop

Rear Wiper

The rear window has the provision to mount a rear wiper unit.

Code	Bundle	Description
	ER047331	Rear Wiper Field Kit

Models: cab only: 5310 - 5510 and HighCrop

Mirrors

Second mirror located on the right-hand side of the ROPS for excellent rear visibility.

Code	Bundle	Description
9500	ER066412	2nd mirror on the RH side of 4-post ROPS
9505	ER067557	2nd mirror on the RH side of 2-post ROPS

Models : w/o cab only: 5310 - 5510 and HighCrop

Rockshaft Remote Control

The rockshaft remote control is conveniently mounted on the rear right-hand fender giving the operator full control of the rockshaft from outside the cab. Ideal for one man hook up of implements.

Code	Bundle	Description
9610	ER067558	mechanical remote control for 3-point hitch

Models: 5310 - 5510 and HighCrop

Sun Roof

Code	Bundle	Description
9170	ER066409	sun roof for 4-post ROPS

Models : 5310 - 5510 and HighCrop

Note: for non EU countries; tractor has to be equipped with a 4-post ROPS

Seat Belt

Code	Bundle	Description
9157	ER067560	Seat Belt Mounting Kit

Models : 5310 - 5510 and HighCrop

Note: Seat Belt Mounting Kit equipped with seats:

- ER191861*
- ER192676*
- ER191862*
- ER192675*

Activated Carbon Air Filter

The new activated carbon air filter provides extra comfort and protection against most airborne particles for the driver of a 5010 series tractor under heavy duty conditions. It is equipped with a synthetic pre-filter, a pleated filter element and an activated carbon cell.

Code	Bundle	Description
	ER047209	Activated Carbon Air Filter

Models: cab only: 5310 - 5510 and HighCrop

3.2 CHASSIS PARTS

Front Fenders for MFWD tractors

The MFWD version has an optional durable two support front fender design, providing protection to the windows, body work and engine from dust and mud.

Code	Bundle	Description
9210	ER066472	MFWD Front Fenders

Models: 5310 - 5510 (not HighCrop)

Front Fenders for 2WD tractors

Code	Bundle	Description
9220	ER066408	2WD Front Fenders

Models : 5310 - 5510 (not HighCrop)

Rear Fender Extensions

These fender extensions are similar for all versions and help to keep doors, windows and other exterior areas of the cab clean. The fender extensions provide a rear tire coverage of 100% with 16.9R30 tires mounted on 1.400 mm tread.

Code	Bundle	Description
9100	ER066464	Rear Fender Extensions

Models : 5310 - 5510 and HighCrop

Chock Block

Code	Bundle	Description
9215	ER066414	Chock Block

Models : 5310 - 5510 and HighCrop

Note: for additional safety, particular in hilly conditions

3.3 BRAKES

Hydraulic trailer brake valve

The field kits below permit the tractors to be retro-fitted with an hydraulic trailer brake valve.

Code	Bundle	Description
9250	ER067540	Trailer Brake Valve

Models: 5310 - 5510 and HighCrop

Note: not for Italy

Code	Bundle	Description
	ER067541	Trailer Brake Valve

Models: 5310 - 5510

Note: for Italy only

Code	Bundle	Description
	ER067544	Trailer Brake Valve

Models: HighCrop

Note: for Italy only

3.4 HITCHES AND ASSOCIATED EQUIPMENT

Swinging drawbar

Code	Bundle	Description
	ER199882	Swinging drawbar, EEC type

Models: 5310 - 5510

Note: from serial no. 104267

*Note: please order in addition if required:
ER199890 (pin fastener)*

Code	Bundle	Description
	ER199883	Swinging drawbar, CUNA type

Models: 5310 - 5510

Note: from serial no. 104267, for Italy only

*Note: please order in addition if required:
ER199889 (pin fastener)*

Wagon hitches

Code	Bundle	Description
	ER196453	CUNA D2 wagon hitch

Models: 5310 - 5510 and HighCrop

Note: up to serial no. 104266, for Italy only

*Note: please order in addition if required:
ER040575 (pin fastener)*

Code	Bundle	Description
9254	ER066445	CUNA D2 wagon hitch option

Models: 5310 - 5510 and HighCrop

Note: CUNA Type wagon hitches are only available for Italy, Spain and Portugal, as the mouth opening varies from all other European standards.

Note: Only if equipped with trailer brake valve for Italy.

Piton Fix

Code	Bundle	Description
	ER196457	Piton Fix

Models: 5310 - 5510

Note: up to serial no. 104266

Code	Bundle	Description
	ER199885	Piton Fix

Models: 5310 - 5510

Note: from serial no. 104267

3.5 STORAGE

Tool box

An external tool box is located on the r.h. side in front of the cab. It has sufficient capacity to hold tools as well as a selection of linkage balls, implement hitch pins etc. The box is removable with carrying handle.

Code	Bundle	Description
9050	ER066411	Tool Box

Models : 5310 - 5510 and HighCrop
